## SCHOLARSHIPS FOR JUNIOR GOLFERS.

Capital Golf Club is offering a number of scholarships to junior golfers and aspiring junior golfers as part of our 2010/2011 intake. There is no specific age limit for participants, although importantly the boys and girls should have a real desire, together with a commitment, to learn to play golf.

Participants need not have handicaps, this will part of the coaching and development provided under the scheme, although there would be an expectation that participants would gain handicaps and participate in junior and Club activities and competitions.

The scheme includes:

- Free membership of Capital Golf Club
- Fortnightly coaching clinics conducted by our professional Mark Quilter
- Afternoon competitions
- Mentoring of juniors
- Great companionship

Under the scholarship conditions parents/guardians of participating children will be required to sign a "Letter of Understanding" which will outline the commitment we expect from both the child and the parent in return for the benefits offered under the scholarship.

Nominations close on 11 October 2010

Further information and nominations should be directed to Alan Galbraith, Junior Promotions Officer, who can be contacted on Ph 0402 268 520 or email [alagalbraith@netspeed.com.au](mailto:alagalbraith@netspeed.com.au)
